Graphical CYCLOPS

Project Title	Graphical CYCLOPS
Project Summary	Design one of kind graphics, logos, interactive maps and infographics for the CYCLOPS focused on border security and countering weapons of mass destruction in the Middle East and North Africa.
Country	Cyprus
Country/Region of Focus	Libya

Project Description

Looking for a graphic designer with the skills to design websites, create interactive maps and logos in support of the CYCLOPS - the Cyprus Center for Land, Open-seas and Port Security. The CYCLOPS is a training facility for security officials from around the Middle East and North Africa that are working to combat the illegal transfer of weapons of mass destruction, weapons and other illicit materiel. This is not your run of the mill internship. Applicants should have the skills to deliver great graphic design and the flexibility to work on various border security initiatives ongoing in this volatile and sensitive region.
